

Week 3: Restoration and Strength

Sermon Series: Grace and Glory

Key Verses: 1 Peter 5:6–10; James 4:7; Matthew 11:28

Speaker: Dr. Justin Hardcastle

Big Idea: God’s grace sustains us through suffering, and in His perfect time, He will restore, strengthen, and establish us.

Over the last two weeks, Peter has shown us what grace looks like in real life. In Week 1, we learned that grace does not just save us — it shapes us. Last week, we learned that grace meets us in suffering and gives us strength to persevere. Today, Peter brings us to one of the greatest promises in this letter: The God of all grace will restore you.

Humble Yourself Under God’s _____

- **Read:** 1 Peter 5:6–7. Peter begins with humility. Humility is recognizing: (1) God is God, (2) and I am not.
- Peter says that at the proper time, God will lift you up. Sometimes faith means trusting God's timing as much as we trust God's power.
- There are some things you were never designed to carry. **Read:** Matthew 11:28

Resist The Lies Of The _____

- **Read:** 1 Peter 5:8–9. When we are tired, hurting, discouraged, and anxious, we can become vulnerable to lies. Peter says: Resist the devil.
- Firm in your faith. We do not defeat lies by simply trying to think positively. We answer lies with truth. **Read:** James 4:7
