Sermon: Grateful

Key Verses: Luke 17:11–19; 1 Thessalonians 5:16–18
Speaker: Dr. Justin Hardcastle

Big Idea: Gratitude is intentional, powerful, and life-giving because it brings us back to Jesus.

As we step into November, we enter a season when people start talking more about gratitude. Thanksgiving is coming, families will gather, meals will be shared, and people will post what they are thankful for, but gratitude was never meant to be something we practice only one day a year. When was the last time you stopped long enough to literally think through the blessings in your life?

Ten Men Needed _____

- **Read:** Luke 17:11–13. Jesus is traveling toward Jerusalem. Along the way, He meets ten men with leprosy. They stood at a distance and cried out: “Jesus, Master, have mercy on us.”

Jesus Saw _____

- **Read:** Luke 17:14. That mattered because the priests were the ones who could declare them clean and allow them to return to normal life. Ten men received the same miracle.

Gratitude Is _____

- **Read:** Luke 17:15–16. One of them realized he was healed, and he turned back.
- If we are not careful, we can receive from God and keep moving without ever stopping to say: “Thank You.”

Gratitude Requires A _____

- Gratitude helps us notice what busyness makes us forget.
